EASTER

Will the Easter Bunny remember Bluey and Bingo this year?

1

It's the night before Easter. "Big sleep, kids... the Easter Bunny's coming!" says Dad. "How do we know he won't forget us again?" asks Bingo. "We promise he won't forget this time," says Mum, tripping over some sparkly glitter on her way out. "Ah, we'll clean it up in the morning," says Dad.

2

The next morning, Bluey and Bingo wake up excited to check if the Easter bunny came. They search their room for eggs, but they can't find any. "He forgot us again," says Bingo. But Bluey finds a box in her bunny bag, and Bingo finds a letter B. "I think these are clues to where he's hidden our Easter eggs! Ooh, I know!"...

3

In the letterbox, the kids find a chatterbox from the Easter bunny. "What's your favourite colour?" Bluey asks Bingo. "Blue, like you!" replies Bingo. Under the blue flap is a cook's hat. "What does it mean?" asks Bingo.

"Well, cooks work in the kitchen... maybe the Easter eggs are in the kitchen!" says Bluey.

4

In the kitchen, Bingo spots a huge egg made of fridge magnets! Bluey opens the fridge, but there's only normal eggs. "Aw," says Bingo sadly. "Wait!" Bluey says. One egg is a kiwi! "Maybe there's chocolate inside!" says Bingo. Dad cuts open the kiwi - aw, no chocolate. Bluey realises it's a clue. "The kiwi rug!"

5 When they reach the kiwi rug, they can't see any eggs. "Maybe the Easter bunny just likes other children more than me," sighs Bingo. But then... she sees an arrow. "It's pointing to the backyard!" says Bluey.

The poinciana flowers are arranged in straight lines. "I think it's a picture!" says Bluey. They race up to the balcony to get a better view. It's a castle!

There's a castle in London. We've gotta get to the airport!

No, Bluey, I think it's a different castle.

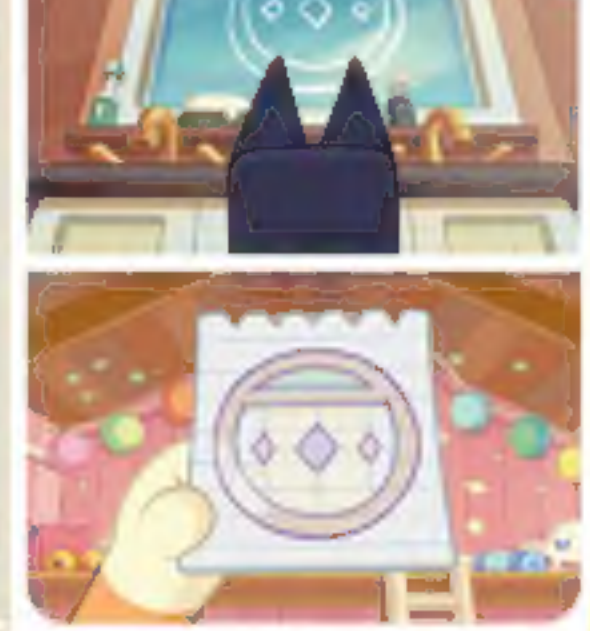

7 ... DAD'S STINKY TOILET! "Someone has to go in there," says Bluey. "But it stinks so much we'll die!" says Bingo. "Aw, there will be no Easter." "Yes there will be Bingo," says Bluey. "I'm going in!"

UGH, it stinks!

Bluey spots something on the bathroom mirror:

"I know what this is! It's our bedroom window," says Bingo.

8 But there are no eggs in there either. "He forgot us again," says Bingo. "It's my fault. I'm just a small, forgettable child," sighs Bingo. "No you're not, you're a great child. You're smart! You figured out the castle clue all by yourself!" says Bluey. Then Bingo reminds Bluey that she's brave because she went into Dad's stinky toilet.

We're not forgettable.

Yeah, we're rememberable.

I think it's this one!

6 Bluey digs for Easter eggs under the sand castle in the sandpit. But all she finds is... toilet paper.

"Hang on, look," says Bluey, noticing the pattern on the toilet paper, "Eggs!" But the egg toilet paper clue leads them to...

...suddenly Bluey spots glitter footprints.

Easter Bunny footprints!

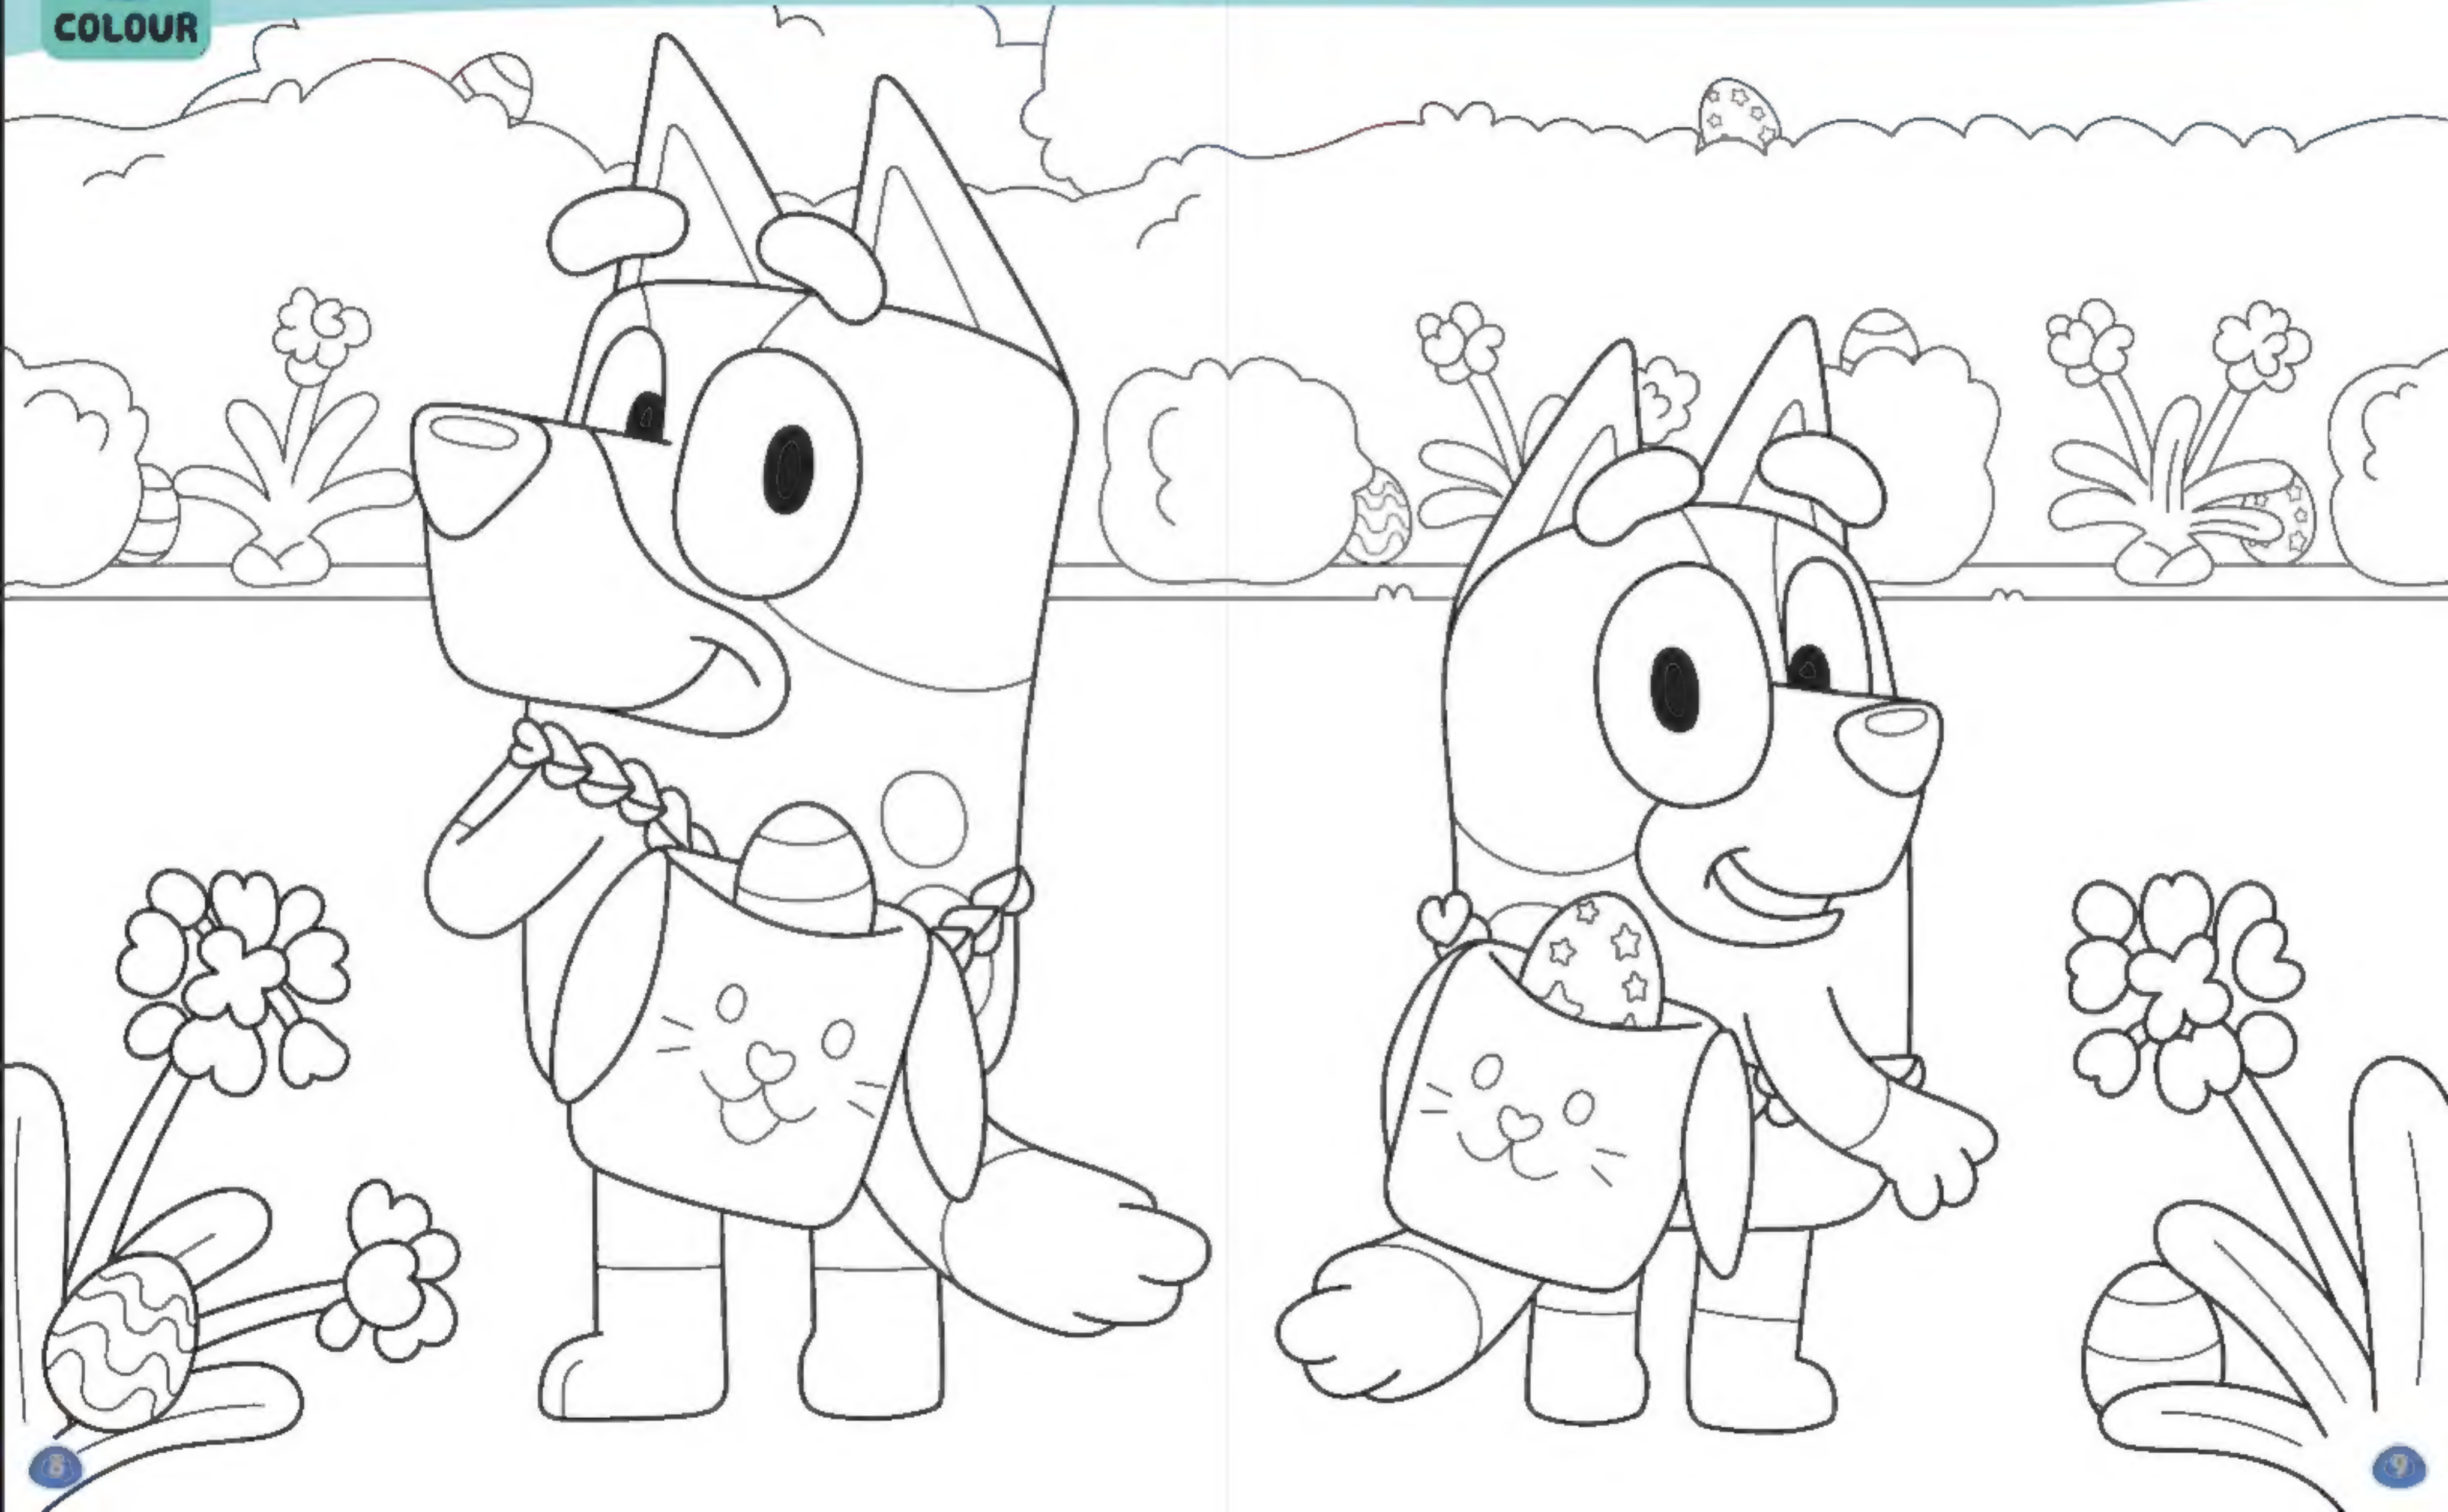

They follow the footprints into Dad's study... and under his desk they find **HEAPS** of shiny chocolate bunnies and eggs! **"He Remembered Us."**

so many FLOPPYS!

Fold, snip and unfold to create paper-chains with loads of Floppys. So cute!

1 Colour the Floppys.

Ask a grown-up to help you cut out the strips along the black dashed lines.

2

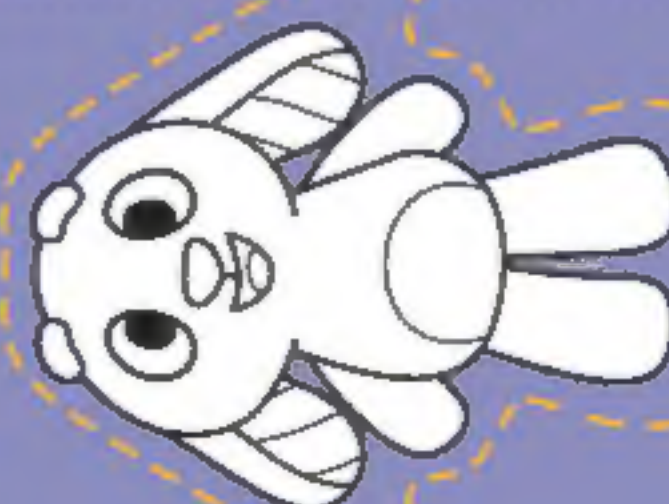

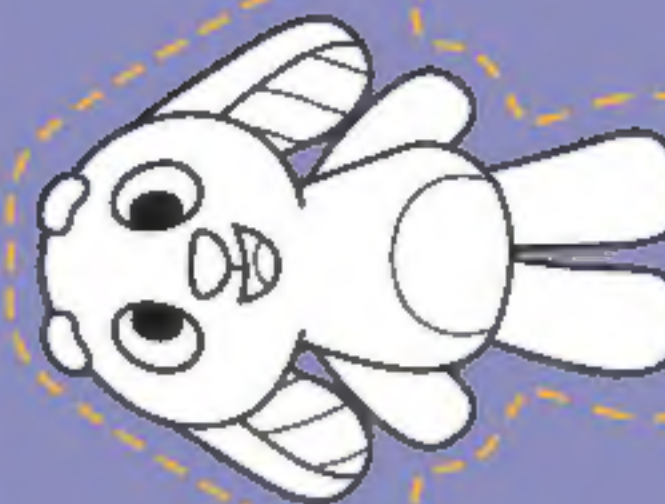

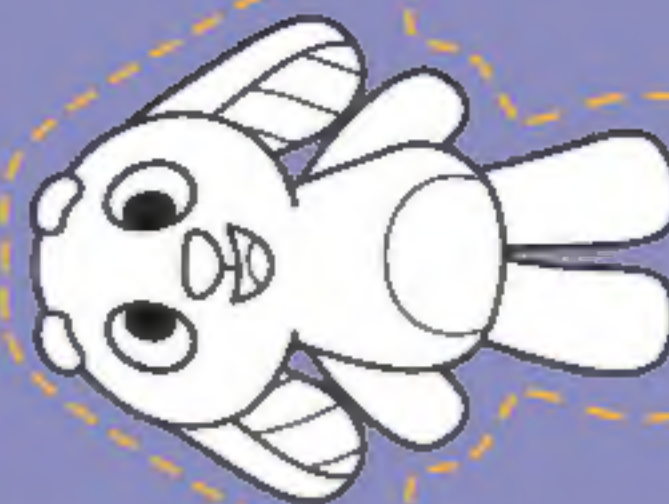

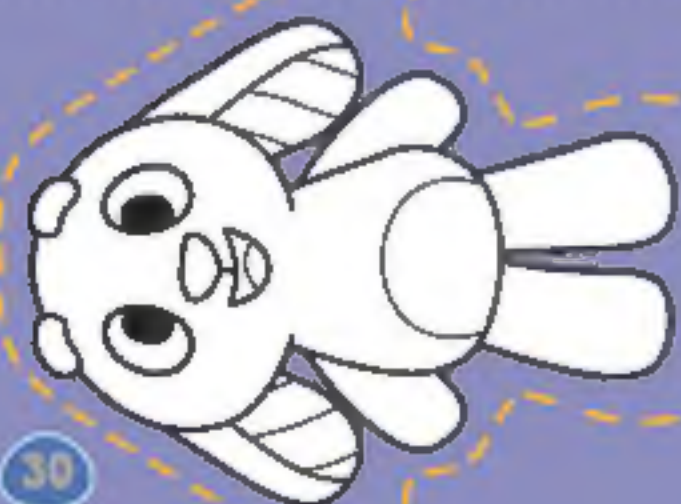

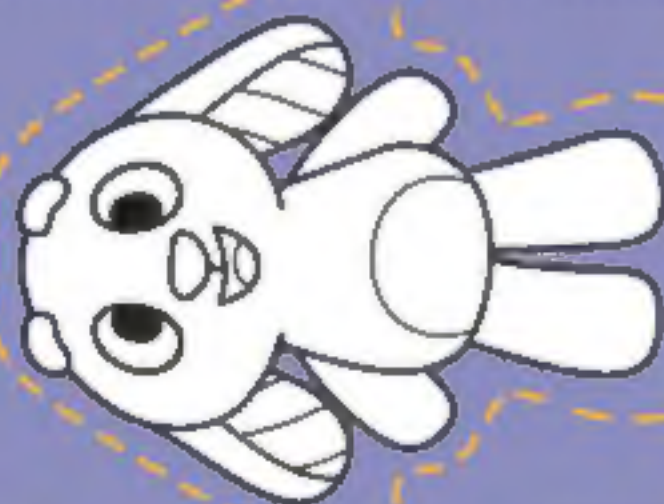

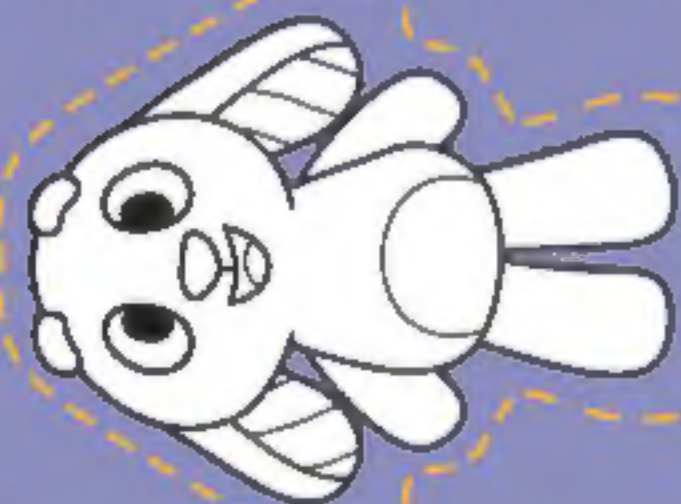

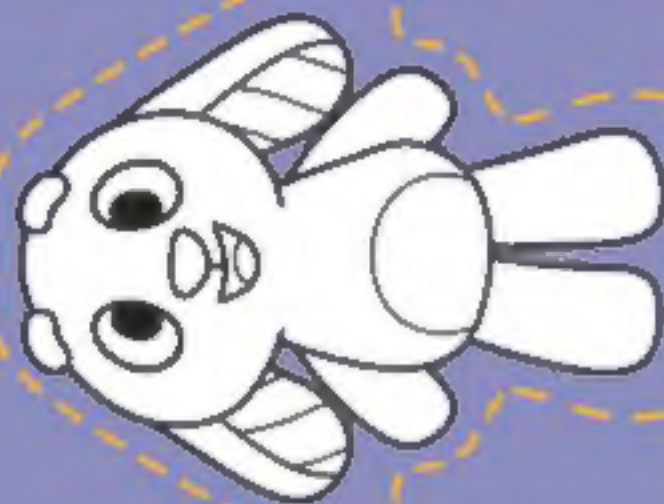

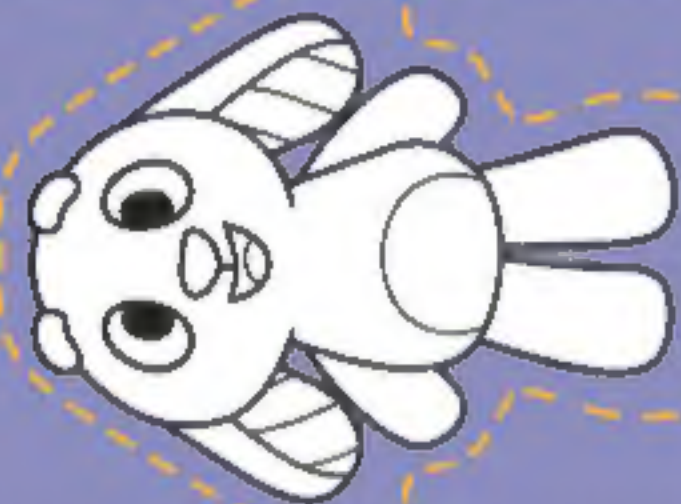

Fold back and forth along the white dotted lines (don't snip!). Then cut along the orange dashed lines. Now unfold your Floppy paper-chains

TOP TIP

Glue the pages to pink paper before you snip out so that it looks nice on the back too! Add cotton wool bunny tails to the back of your Floppys.

Read pages 29 and 32 before you snip

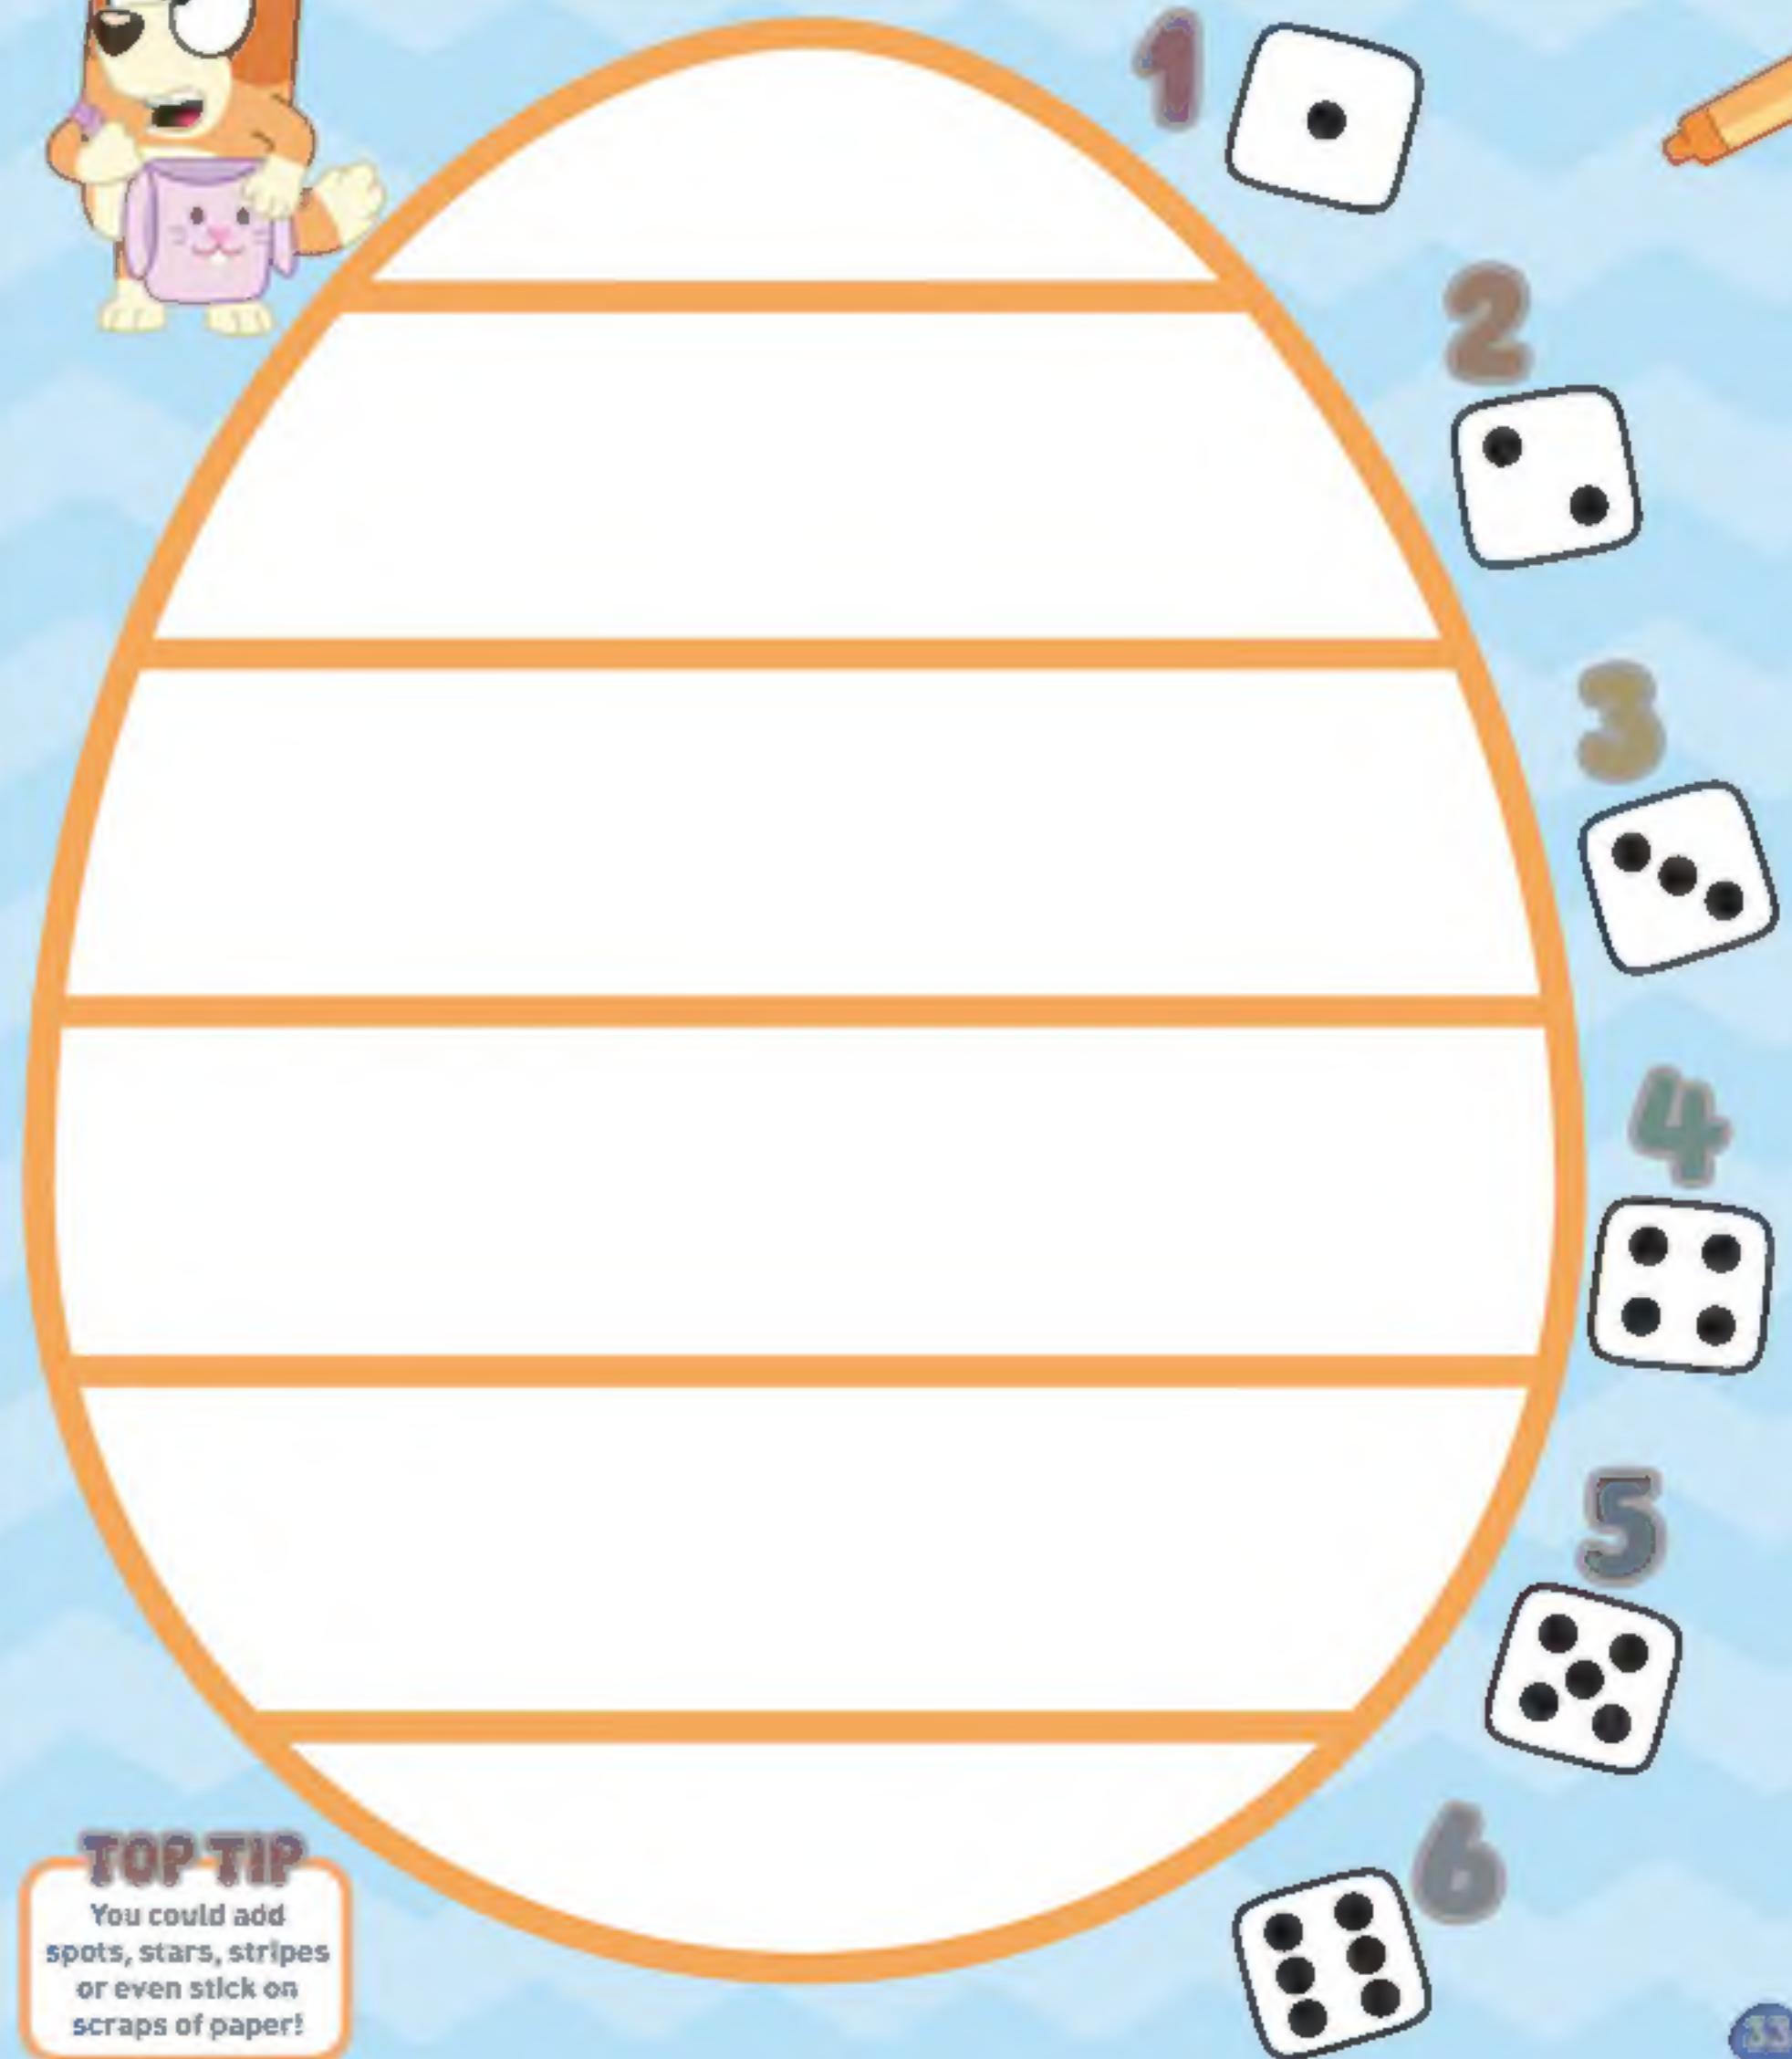

EGG Race

Grab a pal and your colouring pencils and have a go at this game!

1 Choose who's going to decorate Bluey's egg and who will decorate Bingo's.

HOW TO PLAY

2 Take turns rolling a dice. If you roll a 1, draw patterns on the stripe labelled 1 (on your egg). If you roll a 2, draw patterns on number 2, and so on.

3 You need to roll all 6 numbers to finish your egg (if you roll the same number, miss a go). The first person to decorate their whole egg is the winner!

TOP TIP

You could add spots, stars, stripes or even stick on scraps of paper!

make a...

Bunny Bag

Perfect for collecting Easter hunt goodies!

YOU WILL NEED:

- a round tub (or a box will work)
- sticky tape, scissors & glue
- yarn or ribbon
- a grown-up to help

1 Paint your box or tub white (or cover it in white paper). Snip out the face and ears on the opposite page. Stick them onto your tub or box. Too easy!

2 You'll need a grown-up to help you with this bit: make 2 holes either side at the top of the tub or box.

3 Thread the yarn or ribbon through the holes and tie securely so it's nice and sturdy (to hold all your Easter treats!).

TOP TIP

Use 3 strands of yarn or ribbon and fold them over each other to make a plait strap, just like Bluey's. You could add cotton wool to make it fluffy too!

Why not add a cotton wool tail to the back? Awww.

Snip out the label below, write your name and stick it to the back of your bag. Happy hunting!
